

Who to contact to report weed treatment issues:

If you believe a weed treatment is excessive or causing harm to a public lake, you can contact the respective aquatic plant permit manager and voice your concerns.

In Michigan, contact Eric Bacon, deq-wrd-anc@michigan.gov, 517-284-5593; in Indiana, contact Joey Leach, jleac1@dnr.in.gov, 317-234-1074.
